Together, together, together everyone
Together, together, come on let's have some fun
Together, we're there for, each other everytime
Together, together, come on let's do this right

Solo 1

Here and now it's time for celebration
I finally figured it out yeah, yeah
That all our dreams have no limitations
That's what it's all about

Solo 2

Everyone is special in their own way
We make each other strong
We're not the same
We're different in a good way
Together's where we belong

All We're all in this together
Once we know that we are
We're all stars
And we see that
We're all in this together
And it shows when we stand hand in hand
Make our dreams come true

Together, together, together everyone
Together, together, come on let's have some fun
Together, we're there for each other every time
Together, together, come on, let's do this right

All We're all here
And speaking out with one voice
We're going to rock the house (yeah, yeah)
The party's on now everybody make some noise
Come on scream and shout
We've arrived because we stuck together
Champions one and all

We're all in this together
Once we know that we are
We're all stars
And we see that
We're all in this together
And it shows when we stand hand in hand
Make our dreams come.....

We're all in this together
When we reach we can find
Love inside, we can make it
We're all in this together
Once we see there's a chance
That we have
And we take it

As a rap *Wild cats sing along
Yeah, we really got it going on
Wild cats in the house
Everybody say it now
Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Time to show the world*

We're all in this together
Once we know that we are
We're all stars
And we see that
We're all in this together
And it shows when we stand hand in hand
Make our dreams come

We're all in this together
When we reach we can find
Love inside, we can make it
We're all in this together
Once we see there's a chance
That we have
And we take it

As a rap *Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Come on everyone!*
