

Wednesday 12th February 2020

To write a powerful poem using interesting vocabulary.

The dangerous destroyer

The intense heat is like a gunfire.

Smoking ash as black as soot glows in the air.

A molten mountain trying to breathe.

Forests burning down to the ground.

Lava raining down like tears,

crackles and sizzles, explodes like a bomb,

magma in the chamber pumpkin to the surge,

Lakes of lava sliding down the volcano.
