

Dear Parents,

Here are the activities for this week. Please take photos where applicable and send the photos and work to class4@st-edmunds-rc.oxon.sch.uk. If you complete the work in Purple Mash please save your work in the correct folder under class. The children are expected to practice their times tables every day. They need to complete at least 2 garage sessions and 2 soundchecks on TimesTablesRockstars every day please. Their scores and attempts will be recorded and monitored every day. Their login details for all websites are in their homework books. For every activity set on Mymaths the children need to click on 'Try the lesson' first to understand how to do their work. If writing anything in their blue books or on any sheets, please keep the presentation and punctuation as neat and accurate as they used to in school books.

This week in Maths we focus on Multiplication and Division. In English we look at the most famous rivers of the world. Keep making the most of IXL as we have it only for this month. You can practice both Maths and English skills. Trying to meet everyone's needs, this week I'm giving you a Multiplication and Division booklet if you want to do more worksheets rather than online activities.

Thank you for your help and support. Please get in touch if anything is not clear or if you have any other questions.

Mrs Wadzyk
