Year 4 Newsletter

Dear Parents/Carers,

Welcome to Year 4. I hope that you have all had a relaxing and enjoyable summer holiday and are ready for the new year. It's definitely a pleasure for me to be able to teach your children again this year and I am really interested to see what they've learnt and how much they've developed over the last year. I can reassure you that I will continue to work very hard to make sure your children are being challenged and make good progress.

This term our topic is going to be 'Amazing Egyptians' and all our writing will be planned around it. We are going to learn about the history of Ancient Egypt and its culture. We will focus on the Egyptian Gods, Pharaohs, Hieroglyphics, Pyramids and the River Nile. We will be exploring the traditions, beliefs, customs and architecture of Ancient Egypt.

We are going to be sharing a lot of Egyptian themed texts, fiction as well as non-fiction. Our class shared book is going to be 'The Cat Mummy' by Jacqueline Wilson.

Writing: The children will complete a variety of writing through the topic including recounts, diaries, newspaper reports, adventure stories, poetry, information pages, character descriptions, persuasive letters, retelling traditional stories and legends and many more. As well as writing, the children will have regular opportunities to perform and present their work in drama, roleplay and performing poetry activities, which is very useful to help them grow in confidence to be able to perform in front of an audience.

Headteacher: Mrs M Delany-White

I will try to inspire the children to enjoy the topic so that their motivation and confidence in writing will continue to improve, which will then have a positive impact on their progress and achievements.

Grammar and Punctuation: This will also be taught regularly to ensure the children use standard English in all their work.

Handwriting: The children will continue to improve their continuous cursive handwriting and will be rewarded with pen licences as soon as their handwriting is neat enough for a pen.

Spelling: This term the children will practice their spellings following Year 4 statutory requirements and the Year 4 common exception words will also be taught. We will also have regular short dictations of sentences including the spelling patterns and high frequency words. Weekly spelling tests will take place on Mondays and the new words will be given out on Tuesdays.

Reading: We will continue to read with the children individually, in weekly guided reading sessions and as a whole class. As well as improving their ability to read fluently, we will focus on the comprehension of texts to make sure the children understand what they read and can discuss it effectively.

In Year 4 we expect the children to read widely and regularly. One of the best ways you can support your child is to encourage their love of reading. We expect our Year 4s to keep a record on their Star Reader sheets of all the books they are reading, and these will be checked on Wednesdays alongside their homework. Please, help your child by making sure you still read with them daily.

Maths: This term the children will be focusing on place value, addition and subtraction, time, multiplication and division, decimal fractions, perimeter and area. We will also use and apply the Maths taught to answer word problems and do lots of investigations to deeper the children's understanding.

Your child should have a login to TimesTables RockStars in their homework book. We will continue to use it regularly to help children progress in their times tables. We recommend them practising their tables for 10mins a day, as this will make all the difference to their learning in Maths.

Times tables tests will take place every Monday morning.

Science: We will cover two topics – 'Animals, including humans' and 'Sound'. Science will be taught by Miss Kucz.

R.E.: This term we will be learning about Creation, Prayer, Saints and Feasts and Advent.

Music and French: These will be taught every Tuesday afternoon by Mrs Semple.

Homework: Homework will be given on Friday and expected to be completed by Wednesday. It is a very important part of your child's education, so please make sure your child completes it every week.

This year we are going to use <https://www.mymaths.co.uk/> for Maths homework and <https://purplemash.co.uk/> for other homework. Please, let me know if your child does not have access to a computer, so they can get a paper copy. Some homework may still be set in the Homework book.

Please speak to me if you are having problems with homework or need any guidance with what is expected.

Spelling at home: The children will all have a spelling book which will be taken home on Tuesday and will need to be returned on Monday for the weekly spelling test. Each child will have a list of spellings which they are to learn during the week at home ready for their test on Monday. Please do help your child with learning the spellings by practising with them and encouraging them to look for spelling patterns.

Physical Education: It is essential that the children have the correct P.E. kit in school. P.E. kits will be kept in school for the term and will be taken home at the end of each term. This will ensure that the children do not forget to bring their kit to school. The P.E. kit required for school is as follows: 1 red polo shirt, 1 navy pair of shorts, 1 pair of trainers. Please make sure all kit is clearly named. P.E. will be on Tuesdays and Thursdays this year.

If you have anything you wish to discuss or questions to ask, please feel free to arrange a meeting with me through the school's office or you can contact me via the class email address: class4@st-edmunds-rc.oxon.sch.uk

Kind Regards,
Mrs Wadzyk and Miss Kucz
