

Dear Parents,

Here is the planning for this week. Please, take some photos of your children's work where applicable and send to [class4@st-edmunds-rc.oxon.sch.uk](mailto:class4@st-edmunds-rc.oxon.sch.uk). Alternatively, the children can share their work on our class blog. Please, make sure they write the date and L.O. in their book and take care with the presentation and punctuation.

Thank you for your help and support.

Mrs Wadzyk

## Monday 11.01.21

### Spelling Test

Please, ask an adult to test you on the spellings I gave you last week:  
Spelling booklet Week 1 – Homophones and near homophones (5 words for Bronze, 7 for Silver, 10 for Gold.)

### Maths

#### **Mental Starter:**

<https://www.topmarks.co.uk/maths-games/daily10> (Please choose addition and subtraction)

Click on the link below (Bronze, Silver and Gold) to go on the Oak Academy website. You need to watch the videos and follow the teacher's instructions. Please, record your answers to all the questions in any spare exercise book you have. **Usually, the lessons start with an 'Intro Quiz'. When you complete the quiz, close it and continue the lesson by watching the video, which you will find by clicking 'Next' in the bottom right corner of the page. I wanted to clarify this, as last week some of you thought the 'Intro Quiz' was all you needed to do.**

Bronze	Silver	Gold
L.O. To add and subtract 1-digit numbers to/from 3-digit numbers	L.O. Choosing appropriate addition strategies	L.O. Choosing appropriate subtraction strategies
In this lesson you will learn different mental strategies to add and subtract, including regrouping. <a href="https://classroom.thenational.academy/lessons/adding-and-subtracting-1-digit-numbers-tofrom-3-digit-numbers-68uk4e">https://classroom.thenational.academy/lessons/adding-and-subtracting-1-digit-numbers-tofrom-3-digit-numbers-68uk4e</a>	In this lesson you will be looking at addition equations and deciding the best and most efficient strategy we could use to solve them. <a href="https://classroom.thenational.academy/lessons/choosing-appropriate-addition-strategies-6wwkad">https://classroom.thenational.academy/lessons/choosing-appropriate-addition-strategies-6wwkad</a>	In this lesson you will be looking at subtraction equations and deciding the best and most efficient strategy we could use to solve them. <a href="https://classroom.thenational.academy/lessons/choosing-appropriate-subtraction-strategies-6nh3gc">https://classroom.thenational.academy/lessons/choosing-appropriate-subtraction-strategies-6nh3gc</a>
When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.		

### Computing

Go to PurpleMash. In your 2Dos you will find a task to complete – Your Digital Footprint Quiz. Have a go, see what you know already about protecting your digital footprint and online safety and what you can learn.

## English / Geography

Today, I would like to introduce our new topic 'Rivers and Mountains'. To start, I would like you to enjoy watching some video clips and reading some facts too. We are going to focus on rivers first. I would like you to try and remember some of the topic vocabulary. I know that some of you like to take notes when we watch something new about our topics, so it is up to you whether you will find it useful. I do not expect you to take all the information in today, just to get familiar with the key vocabulary we are going to use a lot now would be good. Most important is for you to enjoy watching it and hopefully learn something new.

## RE

### Gospel Worship

I am pleased to be able to share the weekly worship from 'The Mark 10 Mission', so you can continue to watch it. It's even better for you to take part from home, as you can join in with the singing.

Please, click on the link <https://www.themark10mission.co.uk/theepisodes/seriesthree> to access the most recent episode. There, you will also find an option to print the Gospel if you want to.

### L.O. To explore who God's Messengers are

Today I would like you to watch this video of the Christmas story, which explains the birth of Jesus in a context, just as we were talking about it in our RE lessons. Please, focus on the part of the angels. (during the annunciation, Joseph's dream, and Joseph's warning to flee to Egypt):

<https://www.youtube.com/watch?v=Dbp24wZQa3Y>

Think about these questions:

- What is the job of an angel?
- What are the key words they use; to whom do they appear?
- Who else are 'Messengers of God'?
- A 'Messenger of God' could be someone like Mother Teresa, Pope Francis or St Francis. Why do you think they deserve this title, what is their message from God?
- Do you know any other 'Messengers of God'? Remember that they are more than just nice people. What is the message they want to share from God? As well as individuals, they could be groups of people, e.g. parish priests, CAFOD, local food bank or homeless charity.

Writing activity

- Choose one example of the 'Messenger of God' and write why you have chosen them and what you believe their message is.

## Tuesday 12.01.21

### **New Spellings Practice / Handwriting**

Spelling booklet Week 2 – Homophones and near homophones Part 2 (page 5-7)

Please, complete both parts: 'Look, say, cover' and 'Other Ways to Help You learn Your Spellings'.

When you finish, write one line for each of the words in your spare exercise book as your Handwriting practice.

### **Maths**

#### **Mental Starter:**

<https://www.topmarks.co.uk/maths-games/daily10> (Addition and subtraction)

Click on the link below (Bronze, Silver and Gold) to go on the Oak Academy website. You need to watch the videos and follow the teacher's instructions. Please, record your answers to all the questions in any spare exercise book you have. **Remember to complete all the lesson's parts, not just the 'Intro Quiz'.**

<b>Bronze</b>	<b>Silver</b>	<b>Gold</b>
L.O. Adding two 3-digit numbers with regrouping in one column  In this lesson you will build on knowledge of partitioning and estimating and practise column addition. <a href="https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-regrouping-in-one-column-cmt64e">https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-regrouping-in-one-column-cmt64e</a>	L.O. Adding using the column method with one regrouping  In this lesson you will be using the column method to add two 4-digit numbers where regrouping is required in one column. <a href="https://classroom.thenational.academy/lessons/adding-using-the-column-method-cmw3cc">https://classroom.thenational.academy/lessons/adding-using-the-column-method-cmw3cc</a>	L.O. Adding using the column method with multiple columns regrouping  In this lesson you will be using the column method to add two 4-digit numbers where regrouping is required in multiple columns. <a href="https://classroom.thenational.academy/lessons/adding-using-the-column-method-when-multiple-columns-require-regrouping-cmwpcr">https://classroom.thenational.academy/lessons/adding-using-the-column-method-when-multiple-columns-require-regrouping-cmwpcr</a>

When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.

### **English / Grammar**

#### **L.O. To explore simple and compound sentences**

Today, I would like you to revise and practice recognising and writing some simple and compound sentences.

Click on the link below to go on the Oak Academy website. You need to watch the video and follow the teacher's instructions. Please, write all your sentences in your spare exercise book.

<https://classroom.thenational.academy/lessons/to-explore-simple-and-compound-sentences-6hk3ed>

### **PE**

Warm-up: 'Ladder activity' (attached)

Have some fun with Joe: <https://www.youtube.com/watch?v=cABsHbhqv7Q>

or try this workout:

[https://www.youtube.com/watch?v=L\\_A\\_HjHZxfI](https://www.youtube.com/watch?v=L_A_HjHZxfI)

## Wednesday 13.01.21

### Maths

#### **Mental Starter:**

[https://mathsframe.co.uk/en/resources/resource/289/KS2 Maths Invaders](https://mathsframe.co.uk/en/resources/resource/289/KS2_Maths_Invaders) (Choose Addition or Subtraction)

Click on the link below (Bronze, Silver and Gold) to go on the Oak Academy website. You need to watch the videos and follow the teacher's instructions. Please, record your answers to all the questions in any spare exercise book you have. **Remember to complete all the lesson's parts.**

Bronze	Silver	Gold
<p>L.O. Subtracting 3-digit numbers with regrouping tens to ones</p> <p>In this lesson you will build on knowledge of column addition and introduce regrouping for column subtraction.</p> <p><a href="https://classroom.thenational.academy/lessons/subtracting-3-digit-numbers-regrouping-tens-to-ones-cgwk8t">https://classroom.thenational.academy/lessons/subtracting-3-digit-numbers-regrouping-tens-to-ones-cgwk8t</a></p>	<p>L.O. Subtracting using the column method with one regrouping</p> <p>In this lesson you will be using the column method to subtract two 4-digit numbers where regrouping is required in one column.</p> <p><a href="https://classroom.thenational.academy/lessons/subtracting-using-the-column-method-6mr38r">https://classroom.thenational.academy/lessons/subtracting-using-the-column-method-6mr38r</a></p>	<p>L.O. When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.		

### Reading

Read anything you like or have a look at this article from 'The Week Junior':

[https://cdn.theweekjunior.co.uk/The\\_Week\\_Junior\\_All\\_about\\_water.pdf](https://cdn.theweekjunior.co.uk/The_Week_Junior_All_about_water.pdf)

### English / Geography

#### **L.O. To label the rivers of the world on a map**

Today, I would like you to use any of the video clips or websites from Monday to help you complete these activities:

- World Map Rivers activity – label the rivers on a map (attached)
- Rivers Vocabulary Matching Game activity – match topic vocabulary with its definitions (attached)

Both activities have Bronze, Silver and Gold levels.

### Science

#### **L.O. Hearing sounds**

Please, use the PowerPoint 'Hearing Sounds' to learn how different sounds travel and complete the worksheet Bronze – 1 star, Silver – 2 stars, Gold – 3 stars (attached). On the last slide you will find a link to an Oak Academy lesson, which will help you understand today's lesson. There, you'll find a practical activity as well.

## Thursday 14.01.21

9:30 Live Mass with Father Jamie

<https://www.ourladyandstedmund.org.uk/live-services>

### **Maths**

**L.O. To practise addition and subtraction**

**Mental Starter:**

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Please, go to MyMaths and complete the tasks set for you for today (Bronze, Silver or Gold level) – **Addition and Subtraction**

When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.

### **English / Grammar**

**L.O. To explore complex sentences**

Today, I would like you to practise 'As' complex sentences and have a go at writing your own. Click on the link below to go on the Oak Academy website. You need to watch the video and follow the teacher's instructions. Please, write all the sentences in your spare exercise book.

<https://classroom.thenational.academy/lessons/to-explore-complex-sentences-68wp8c>

### **Reading**

Read anything you like or have a look at this article from 'The Week Junior':

[https://cdn.theweekjunior.co.uk/The\\_Week\\_Junior\\_All\\_about\\_bridges.pdf](https://cdn.theweekjunior.co.uk/The_Week_Junior_All_about_bridges.pdf)

### **Guided Reading**

This term we are going to read 'Sabryna and the River Spirit', which links well with our topic about Rivers. I hope you will find it interesting.

Follow the link to listen to Chapter 1: <https://www.youtube.com/watch?v=1Tk0KyeQc9g&feature=youtu.be>

Answer questions about Chapter 1 (worksheet attached)

## Friday 15.01.21

### Maths

#### **Mental Starter:**

<https://www.topmarks.co.uk/maths-games/hit-the-button>

#### **L.O. To practise addition and subtraction**

Today I would like you to have some fun practicing your addition and subtraction skills. Please, go to PurpleMash and on the main page click on 'Mathematics' folder. In there, choose 'Topics: Number' folder, then go to 'Activities: Addition and Subtraction and choose any of Age 5-7 activities to complete for Bronze, Age 7-9 for Silver and Age 9-11 for Gold. You can complete more than one activity if you want and remember to save them so I can see how well you did. Have fun!

When you finish, login on TTRockstars and practice your timetables for at least 10 min.

### Reading

Read anything you like or have a look at this article from 'The Week Junior':

[https://cdn.theweekjunior.co.uk/The\\_Week\\_Junior\\_All\\_about\\_the\\_Great\\_Barrier\\_Reef.pdf](https://cdn.theweekjunior.co.uk/The_Week_Junior_All_about_the_Great_Barrier_Reef.pdf)

### English / Geography

#### **Quiz**

<https://www.educationquizzes.com/ks2/geography/rivers/>

#### **L.O. To create an illustrated glossary of River words**

Use any of the websites and videos from Monday or the 'River Glossary' (attached) to complete this activity:

Create an illustrated glossary of as many river words as you can. For each of the words, you will need to write a definition and draw a picture to illustrate it. You can do it straight in your exercise book or use the template (only pages 6-7 needed from the document attached)

### Art / DT

#### **Journey of a river**

Have a look at the examples (attached) and either draw a picture with as many details as you can or have a go at making the 3D model. Have fun and share on the blog if you can.
