

Dear Parents,

Here is the planning for this week. Please, take some photos of your children’s work where applicable and send to class4@st-edmunds-rc.oxon.sch.uk. Alternatively, the children can share their work on our class blog. Please, make sure they write the date and L.O. in their book and take care with the presentation and punctuation.

Thank you for your help and support.

Mrs Wadzyk

Monday 01.03.21

Daily Quiz

Please, follow the link and complete the interactive quiz for today: <https://www.kidsquizdaily.co.uk/>

Spelling Test

Please, ask an adult to test you on the spellings you practised last week:
 Spelling booklet Week 1 – Words with the /s/ sound spelt with ‘sc’ (page 2-4)
(science, crescent, discipline, fascinate, scent, scissors, ascent, descent, scientist, scenery)

Maths

Mental Starter:

<https://www.topmarks.co.uk/maths-games/daily10>

Please choose **Addition** (Level 3 for Bronze, Level 4 for Silver and Level 5 for Gold).

Click on the link below (Bronze, Silver & Gold) to go on the **Oak Academy** website. You need to watch the videos and follow the teacher’s instructions. **Please, record all the questions and your working out in your exercise book.** Usually, the lessons start with an ‘Intro Quiz’. When you complete the quiz, close it and continue the lesson by watching the video, which you will find by clicking ‘Next’ in the bottom right corner of the page. **At the end of the video there is an Independent Task for you to complete. Please, record all your work neatly and make sure you write in the correct columns. The last part of the lesson is the ‘Final Quiz’, which you need to take to check what you’ve learnt today.**

Bronze

L.O. To measure and calculate the perimeter of rectangles in centimetres and millimetres

Today you will revise what perimeter is and how to calculate it.

<https://classroom.thenational.academy/lessons/measure-and-calculate-the-perimeter-of-rectangles-in-centimetres-and-millimetres-c5h32c>

Silver & Gold

L.O. To calculate the perimeter of rectangles in centimetres and metres

Today you will practise converting between metres and centimetres and then use this knowledge to calculate perimeter.

<https://classroom.thenational.academy/lessons/calculate-the-perimeter-of-rectangles-in-centimetres-and-metres-65gp2r>

When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.

Reading

Please, follow the link and pick a book to read. Ask your parents for the class code I sent in the email:

<https://www.getepic.com/sign-in>

English / Geography

L.O. To learn about famous mountain ranges

First, I would like you to follow the links to learn about the biggest mountain ranges in the world:

<https://www.youtube.com/watch?v=6B8G1IheGaQ>

https://www.youtube.com/watch?v=O_qw8ickSIE

Next, please follow this link to read information about Mountain Ranges:

<http://www.primaryhomeworkhelp.co.uk/mountains/ranges.htm>

Now, please use all of this information and an atlas (if you have one) or online maps to complete 'Mountain Ranges of the World' labelling activity (**attached**)

RE

Gospel Worship

I am pleased to be able to share the weekly worship from 'The Mark 10 Mission', so you can continue to watch it. It's even better for you to take part from home, as you can join in with the singing.

Please, click on the link <https://www.themark10mission.co.uk/theepisodes/seriesthree> to access the most recent episode. There, you will also find an option to print the Gospel if you want to.

Unit: Lent

L.O. To explore the Temptations of Jesus

As you know from our previous lessons, Jesus often took himself away to be on his own. Do you remember why he did that, what might he have used the time for?

Today I wanted us to focus on a time when Jesus took himself away for a long time. Do you know anything about it?

Please, follow these links to listen to the story of Jesus in the desert:

- Bronze: <https://www.youtube.com/watch?v=LrZaOuSnm7g>
- Silver: https://www.youtube.com/watch?v=iYYg_FwhqIg
- Gold: <https://www.youtube.com/watch?v=iQz5jiGaik>

Writing activity

- **Bronze** – write down the three temptations of Jesus, then write three temptations you've experienced in your life
- **Silver** – retell the story in detail, explaining each temptation and Jesus' response to each one
- **Gold** – write what you think Jesus might have been thinking each time he was being tempted, then write what helps you to overcome your temptations.

Tuesday 02.03.21

Daily Quiz

Please, follow the link and complete the interactive quiz for today: <https://www.kidsquizdaily.co.uk/>

New Spellings Practice / Handwriting

Spelling booklet Week 2 – Words with a ‘soft c’ spelt with ‘ce’ (page 5-7)

(centre, century, certain, recent, experience, sentence, notice, celebrate, ceremony, certificate)

Please, complete both parts: ‘Look, say, cover’ and ‘Other Ways to Help You learn Your Spellings’.

When you finish, write one line for each of the words in your exercise book as your Handwriting practice.

Maths

Mental Starter:

<https://www.topmarks.co.uk/maths-games/daily10>

Please choose **Subtraction** (Level 3 for Bronze, Level 4 for Silver and Level 5 for Gold).

Click on the link below (Bronze, Silver & Gold) to go on the **Oak Academy** website. You need to watch the videos and follow the teacher’s instructions. **Please, record all the questions and your working out in your exercise book.**

Usually, the lessons start with an ‘Intro Quiz’. When you complete the quiz, close it and continue the lesson by watching the video, which you will find by clicking ‘Next’ in the bottom right corner of the page. **At the end of the video there is an Independent Task for you to complete. Please, record all your work neatly and make sure you write in the correct columns. The last part of the lesson is the ‘Final Quiz’, which you need to take to check what you’ve learnt today.**

Bronze

L.O. To calculate the perimeter of simple compound shapes

Today you will practise calculating the perimeter of compound shapes.

<https://classroom.thenational.academy/lessons/calculate-the-perimeter-of-simple-compound-shapes-c9gp8r>

Silver & Gold

L.O. To calculate the perimeter of compound shapes

Today you will practise calculating the perimeter of compound shapes.

<https://classroom.thenational.academy/lessons/calculate-the-perimeter-of-composite-shapes-6gvp4c>

When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.

English / Grammar

L.O. To practise using simple past, present and future tense

Today, I would like you to explore the features of simple past, present and future tense. First, you will look at some examples of sentences in each tense, then you will get to write your own examples using each tense in sentences.

Click on the link below to go on the **Oak Academy** website. You need to watch the video and follow the teacher's instructions. Please, write all your sentences in your exercise book.

<https://classroom.thenational.academy/lessons/to-practise-using-simple-past-present-and-future-tense-c5hp2c>

Reading

Read anything you like or have a look at this article from 'The Week Junior':

https://ads.dennisnet.co.uk/subs/2020/TWJ/JUNE/TWJ_231_AA%20NIAGARA%20FALLS.pdf

PSHE

L.O. Reduce, reuse, recycle

Today we are going to learn all about reducing, reusing and recycling. You will explore how a landfill operates and you will make your own product from recycling household items.

<https://classroom.thenational.academy/lessons/reduce-reuse-recycle-crt38c>

PE

Try some PE with Joe: <https://www.youtube.com/watch?v=YvrtftiOOVw>

or choose from a selection of workouts with Mark Wright on BBCBitesize:

<https://www.bbc.co.uk/bitesize/articles/zrsn6g8>

Wednesday 03.03.21

Daily Quiz

Please, follow the link and complete the interactive quiz for today: <https://www.kidsquizdaily.co.uk/>

Maths

Mental Starter:

https://mathsframe.co.uk/en/resources/resource/289/KS2_Maths_Invaders (Choose Addition)

Click on the link below (Bronze, Silver and Gold) to go on the **Oak Academy** website. You need to watch the videos and follow the teacher's instructions. **Please, record all the questions and your working out in your exercise book.** Usually, the lessons start with an 'Intro Quiz'. When you complete the quiz, close it and continue the lesson by watching the video, which you will find by clicking 'Next' in the bottom right corner of the page. **At the end of the video there is an Independent Task for you to complete. Please, record all your work neatly and make sure you write in the correct columns. The last part of the lesson is the 'Final Quiz', which you need to take to check what you've learnt today.**

Bronze	Silver & Gold
<p>L.O. To calculate and compare the area of rectangles using square centimetres</p> <p>Today you will estimate the area of rectangles and then apply a formula to calculate it. https://classroom.thenational.academy/lessons/calculate-and-compare-the-area-of-rectangles-using-square-centimetres-cm-69h6cd</p>	<p>L.O. To calculate and compare the area of rectangles using square metres</p> <p>Today you will calculate the area of rectangles in square metres and find missing lengths given the area. https://classroom.thenational.academy/lessons/calculate-and-compare-the-area-of-rectangles-using-square-metres-m-c9j64t</p>
<p>When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.</p>	

Reading

English / Geography

L.O. To record facts about famous mountains as an information page

Today I would like you to follow this link to read information about most famous mountains in the world:
<http://www.primaryhomeworkhelp.co.uk/mountains/world.htm>

Next, please read 'Mountain fact sheets' and 'Mountain fact cards' to get more information. **(attached)**

Now, using all this information make an information page 'All About Famous Mountains'. Remember to record each fact separately, include subheadings, fact boxes, pictures with labels and captions. If you want to, you can make it as a Word document or use a PurpleMash template and share on our blog.

Science

L.O. Heating and cooling

Today we continue with the unit 'States of matter'. As you know, materials can be in three different states: solid, liquid or gas. But how do materials change state? Please, watch the PowerPoint 'Heating and Cooling' **(attached)** then complete the worksheet 'Melting Points' **(attached)**. At the end of this lesson there is an investigation to carry out, which involves using chocolate. If you have some at home, you can do it and then complete the 'Melting Chocolate Investigation' **(attached)**.

The second part of the lesson is from the Oak Academy. Please, follow the link to learn what happens to the behaviour and arrangement of particles when they are heated or cooled. You will also investigate some uses of these properties such as cooling gases in order to store them:

<https://classroom.thenational.academy/lessons/what-happens-when-you-heat-or-cool-each-state-of-matter-68w3at>

Thursday 04.03.21

Book Hunt

Have fun with these 'Book Scavenger Hunt' activities (attached)

9:30 Live Mass with Father Jamie

<https://www.churchservices.tv/abingdon>

Maths

L.O. Perimeter and area

Mental Starter:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Please, go to 'Times Tables' section and choose the level you want to practise.

Please, go to **MyMaths** and complete the tasks set for you for today (Bronze, Silver or Gold level) to practise calculating perimeter and area. **Make sure you do the practice lesson first, to help you answer all the questions correctly.**

When you finish, login on TTRockstars and practice your timetables for at least 10 minutes.

English / World Book Day

Today, we are celebrating The World Book Day. As we are not in school and not dressing up as our favourite book characters, I would like you to make a prop for your favourite book instead. Be creative and use any materials you have at home. When finished, try to share on our blog for the rest of the class to guess which book it is from. If you are stuck with ideas or materials for a prop, I would like you to prepare a short presentation about your favourite book, in any form you like and share it tomorrow in our group catch up meetings. You can also choose one (or more if you like) of these activities to complete:

1. Design a front cover for your favourite book
2. Write a book review
3. Write a description of your favourite book character and draw a picture of them
4. Make a story map of your favourite book
5. Paint a setting from your favourite story

Enjoy being creative and have fun!

Reading

Read anything you like or have a look at this article from 'The Week Junior':

https://cdn.theweekjunior.co.uk/The_Week_Junior_All_about_the_House_of_Lords.pdf

or visit The Oak Academy Virtual Library to meet some famous children's authors, listen to their audiobooks and complete related activities:

<https://library.thenational.academy/>

Guided Reading

Please, follow the link to listen to 'The Man Who Bought a Mountain Part Two':

<https://www.youtube.com/watch?v=mOi-100ZSI4&feature=youtu.be>

Answer questions about Chapter 2 (**worksheets attached**)

Friday 05.03.21

French

Follow the link to practise saying the months in French this morning:

<https://classroom.thenational.academy/lessons/saying-the-months-cmv66c>

Enjoy!

Maths

Mental Starter:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Please, go to 'Division Facts' section and choose the level you need to practise and improve.

L.O. Multiplication and division

Please, login to **PurpleMash** and complete 'Perimeter and Area' activity in your **2Dos**. When you finish, go back to the main page, click on 'Mathematics' folder. In there, choose 'Topics: Measure' folder, then go to '**Activities: Measures**' and choose any of Age 5-7 activities to complete for Bronze, Age 7-9 for Silver and Age 9-11 for Gold. You can complete more than one activity if you want and try to save them if you can, so I can see how well you did. Have fun!

When you finish, login on TTRockstars and practice your timetables for at least 10 min.

Reading

Please, follow the link and pick a book to read. Ask your parents for the class code I sent in the email:

<https://www.getepic.com/sign-in>

English / Grammar

L.O. To revise simple, compound and complex sentences

Today I would like you to revise the components of simple, compound and complex sentences. First, you will identify examples of each type and then you will write your own sentences.

Click on the link below to go on the **Oak Academy** website. You need to watch the video and follow the teacher's instructions. Please, write all your sentences in your exercise book.

<https://classroom.thenational.academy/lessons/to-revise-simple-compound-and-complex-sentences-6tgp2d>

Music

Please, follow the link to join in a music lesson:

<https://vimeo.com/showcase/8038932>

This week you can watch a percussion lesson. Enjoy!

Art / DT

I hope you enjoyed using this link last week to create some amazing pictures with Rob Biddulph. Pick and choose whatever you feel like drawing today. There are over 70 different pictures to draw:

<http://www.robbiddulph.com/draw-with-rob>

Have fun and share on our blog if you can.
